

## **SAMPLE GRADING POLICY #5**

Your grade in all agriculture department classes will be based upon assignments, classroom participation and leadership.

Every assignment turned in will be graded. A point value will be assigned for each assignment, quiz, etc. At the end of the grading period, you will receive a letter grade based on the number of points you have accumulated for that grading period. **SAE/record book grades are a separate letter grade on your report card. Record books will be graded once a month. A numerical grade will be assigned.**

Your letter grade will be based on the school grading policy:

- A = 93% of the possible points
- B = 85 to 92.9%
- C = 75 to 84.9%
- D = 65 to 74.9%
- F = < 65 %

**GRADES WILL NOT BE CURVED.** You will get what you have earned!!!!!!

As per the school policy, you have three days to make up any assignments missed because of an excused absence. Assignments missed because of unexcused absences may NOT be made up. For extended illness, special arrangements will be made.

BONUS points may be earned by participation in FFA activities. Most activities will earn you 5 bonus points. Participation in public speaking will earn you 10 additional points. Finishing in the top 5 in a county, area or regional activity will earn you additional points. If you are not an FFA member, you are not eligible for these bonus points. (Please note - this will have no affect on your grade. You just can't earn bonus points). Bonus points will be added to your numerical points earned in class before this is converted to a percentage. (In other words, bonus points are points, NOT % points).
